ARKANSAS BUSINESS & EDUCATION ALLIANCE

Congratulates

2009 ARKANSAS SCHOLARS GRADUATES

The Arkansas Business & Education Alliance (ABEA), organized in 1990, is a nonprofit organization dedicated to improving the quality of education in Arkansas. ABEA works to promote business involvement in schools and to encourage academic achievement and good attendance among students. ABEA's primary program for students and communities is called Arkansas Scholars. ABEA's Arkansas Scholars program continues to grow each year with over 80 school districts in the state sharing a message with Arkansas' eighth graders about student achievement and preparation for the future. Local business leaders across the state make presentations each year to eighth graders and share the program with them.

To be an Arkansas Scholar a student must: 1) maintain a semester average of "C" or better, during all four years of high school, in English, math, social science and physical science 2) attend school 95% of the time over the four years and 3) complete high school in eight consecutive semesters.
